

# SALON VIP

## SALON NEWS

The Salon will be closed from 8 June until 13 June as we are off to Moree to visit the hot springs in winter as well as popping in to the Sydney Hair Festival.

---

Some of the Moroccan products are being discounted as they will no longer be available. Ask when you are in the salon next time or just have a browse through the basket of goodies.

---

A reminder we will be leaving for Europe in August so please organise your bookings early so we can see you before we go.

## JUNE IS THE MONTH FOR PERM LOVERS

New and improved natural perms are available, adjustable to all types of curls - firm, soft or just body. Wash and wear is the most popular.
