

# SALON VIP

## The VIP Room

### WELCOME TO THE VIP ROOM

Hello Everyone

A lot of you have followed our holiday and made some lovely comments. Thank you for your interest. Besides all that you have seen on my Facebook page, there are still more stories to tell.

We are back full steam ahead to make you all beautiful.

It is still a little strange to be working from home but it is rewarding to see all the smiling faces. Some of you are familiar with the VIP ROOM as you have been here many times.

I hope it is not too much of a problem to find the place. The easiest and quickest way is to follow the instructions below and enter the Rhode Island complex from Nerang/Broadbeach Road. If you follow instructions from your GPS, you will be directed to the main entrance in Clear Island Waters which is way over the other side of the complex. There is plenty of free parking next to our Villa 6.

It would be very much appreciated if you can keep to your appointment time.

While we were in Europe, we did a little shopping and have some new and exiting products and accessories for the salon which you will be able to enjoy in the next few weeks. I can't wait for you all to experience these new toys.

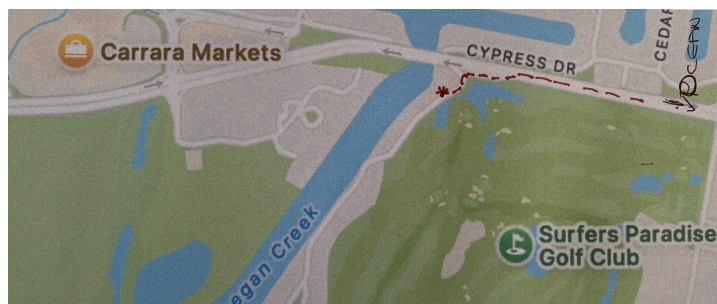

There are a few clip-on extensions **still on special to clear for \$165 down from \$295.**

They are all natural 100% human hair which can be coloured to match your own hair.

2 x 5 rows of attachment clips which allows you to add volume to different areas.

4 x all in one piece. Multiple colours.

Here are some new styles from Europe.

From Nerang Broadbeach Road, stay in the left bus lane with indicator on and stop at the back gate of Rhode Island. Call one of our mobiles and we will open the gate. First villa as you drive in.

Don't forget it is before the bridge. Park in the visitors parking, we have 2 on either side of our Villa 6. Tim will be outside with open arms.

*Happy birthday to all those born in October*
